the specification of which is attached hereto. If not attached hereto, the application is identified by the attorney docket number as set forth above and/or the following:

The specification was filed on _____ as
United States Application Number _____;
and amended on _____ (if applicable) and/or
the specification was filed on _____ as PCT
International Application Number _____; and was
amended on _____ (if applicable)

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal
Regulations, §1.56.

I do not know and do not believe the same was ever known or used in the United States of America before my or our invention
thereof, or patented or described in any printed publication in any country before my or our invention thereof or more than one
year prior to this application, that the same was not in public use or on sale in the United States of America more than one year
prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the
date of this application in any country foreign to the United States of America on an application filed by me or my legal
representative or assigns more than twelve months (six months for designs) prior to this application, and that no application for
patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this
application by me or my legal representatives or assigns, except as follows.

I hereby claim foreign priority benefits under Title 35, United States Code, §119(a)-(d) of any foreign application(s) for patent
or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having
a filing date before that of the application on which priority is claimed:
